Vintage Conditions

Winter: (Dec, Jan, Feb): *Flooding in Dec 2016, then dry. Snow arrived mid-February.*
Vegetative Cycle: (Mar-July): *Early bud break, warm until Easter; then a dangerous freeze. Cold for a month afterwards. From 16 May to 1 Sept., no rain and torrid heat.*
Flowering: (25 May-10 June): *Normal but dry. Excellent conditions.*
Productive Cycle: (Aug-Oct): *Hot until end of August, then moderating coolness thru harvest.*
Harvest Period: *Sunny, warm days with very cool nights. Excellent picking conditions*

Vintage Characteristics: The 2017 presented growers with some of the most objectively difficult conditions of recent memory. The dry winter and an early warm spell that lasted though March and until Easter gave rise to worries for an overly precocious vintage. On the night of April 18-19, disaster struck when a freeze severely damaged many of the young, tender vines. Luckily, the Bricco Boschis, with its steep slopes and excellent air circulation, was mostly spared. A month of wet, cold and mud followed, finally clearing around the middle of May, just before the flowering. From this point until the end of August the conditions were hot and extremely dry, exceeded only by the 2003 vintage. September brought a few cooling showers and a welcome change of air, especially at night, when temperatures began to plummet. The harvest began with the Chardonnay, Pinot and Dolcetto at the very end of August and slowed somewhat as the autumn proceeded.

Cavalotto Family Tasting Note:

Grignolino does well in the hot conditions of 2017 and the wine leaps from the glass with notes of raspberry, cranberry and red flowers. In the palate, it is distinctly mid-weight and aromatically lively, an elegant wine of precise red fruit aromas and flavors. It finished with a clean mineral burst. (February 2019)

Drinking Window: 2019 - 2026

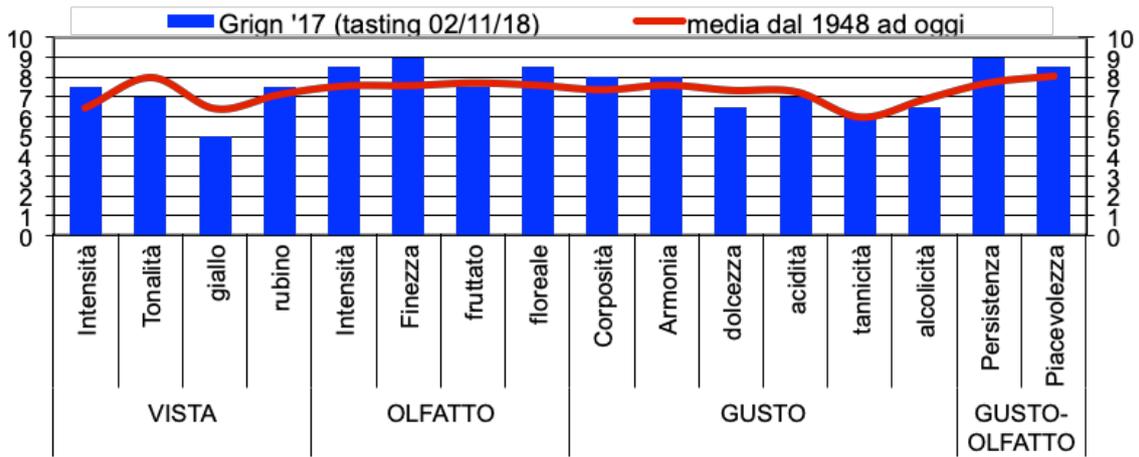

Notes on Matching with Food:

This wine finds its best matches at the table, with appetizers of sliced meats such as prosciutto, salami and lardo; also Alba beef tartare and vitello tonnato. The wine is also good with pasta or simple red meat dishes in general, or with seasoned cheeses. The wine can also be consumed cool (12-15°C like a rosé wine), with delicate white meats or fish.
