#### Vintage Conditions

Winter: (Dec, Jan, Feb): *Flooding in Dec. 2016, then dry. Snow arrived mid- February.*

Vegetative Cycle: (Mar-July): *Early bud break, warm until Easter, then a freeze. Cold for a month afterwards; from mid-May to September 1, with no rain and torrid heat.*

Flowering: (25 May-10 June): *Normal but dry. Excellent conditions.*

Productive Cycle: (Aug-Oct): *Hot until end of August, then normal thru harvest.*

Harvest Period: *Sunny, warm (not hot!) days with very cool nights. Excellent picking conditions.*

**Vintage Characteristics:** The 2017 presented growers with some of the most objectively difficult conditions of recent memory. The dry winter and an early warm spell that lasted though March and until Easter gave rise to worries for an overly precocious vintage. On the night of April 18-19, disaster struck when a freeze severely damaged many of the young, tender vines. Luckily, the Bricco Boschis, with its steep slopes and excellent air circulation, was mostly spared. A month of wet, cold and mud followed, finally clearing around the middle of May, just before the flowering. From this point until the end of August the conditions were hot and extremely dry, exceeded only by the 2003 vintage. September brought a few cooling showers and a welcome change of air, especially at night, when temperatures began to plummet. The harvest began with the Chardonnay, Pinot and Dolcetto at the very end of August and slowed somewhat as the autumn proceeded.

#### Cavallotto Family Tasting Note:

*Our Pinner 2017 is one which displays how exceptionally ripe, healthy red grapes can make a white wine of uncommon complexity. The aromas of red pears, gooseberries and cherry blossoms invite one to enjoy this wine immediately. The flavors are of apricot and pears, with hints of cherries and even a smudge of tannin at the horizon. The finish is crisp and long, and invites the next sip.* (September 2018)

#### Drinking Window: 2018-2028

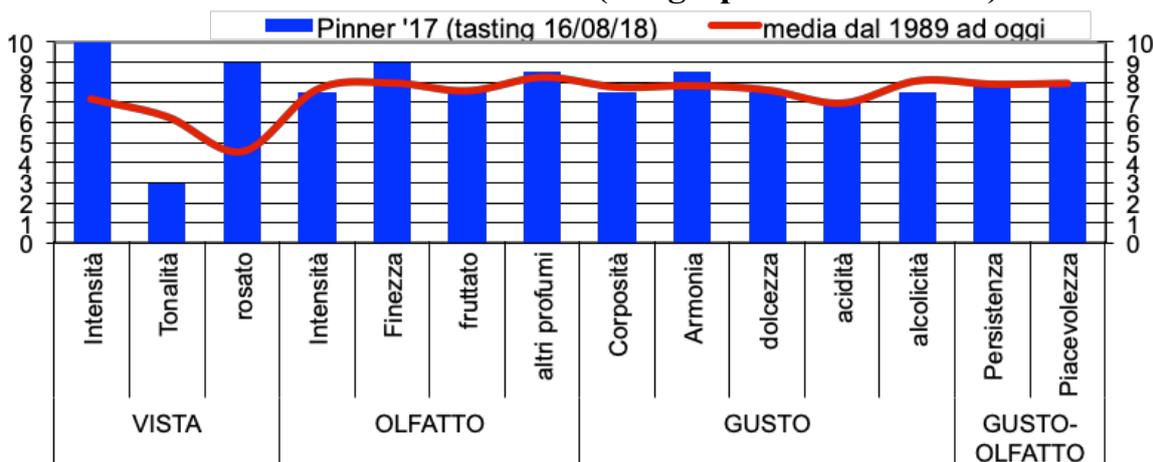

#### Notes on Matching with Food:

Excellent as an aperitif, with light or medium rich plates in general. Also good with white meat, raw meats (like tartare or carpaccio) and fatty cuts such as salt pork. Excellent with seafood in general and shellfish grilled or raw. Also pairs well with fresh cheeses.
